TEERAPAT JUNCHUEN

Full Stack Developer

ABOUT ME

I'm boat or my name is Teerapat Junchuen. I'm 21 year old. I'm studying at Bangkok University. I have a dream to work from home and make a lot of money from working coding. I'll create amazing things about what I like. I can work at any company if I get a job that I love. Because that's how I row.
